**European Motor
Breakdown**
Policy Wording

HELPFUL INFORMATION

Estate cars/hatchbacks and 4x4 vehicles

Please note that possessions must be left out of sight. If Your luggage compartment does not have a tray or blind to conceal items they may not be insured under Your Policy.

Hire cars

The provision and class of hire cars is always subject to their availability. Most hire car companies will not hire vehicles to drivers under the age of 21. You will be asked to produce Your driving licence (photocopies not accepted) and a credit or debit card at the time You collect the hire vehicle.

You will remain responsible for paying all tolls, congestion charges, parking and speeding fines You incur while You are in charge of a hire car, and also when You park it at the end of the hire period. You will also be responsible for any damage to the hire car and any excess imposed by the hire car provider.

Motorway recoveries

In the UK and in many other European countries the recovery of vehicles from motorways and motorway service areas is strictly controlled by the Police. When calling for assistance from the hard shoulder always use the roadside emergency telephones as these aid the operator to pinpoint Your exact position. Advise the Police that You have breakdown cover provided by Europ Assistance. They will call out a breakdown vehicle to recover You to a garage from where You

can call Europ Assistance using a public telephone or Your mobile. It is unlikely that roadside repairs will be attempted for safety reasons.

Cost of repairs

While Your Policy may include an element towards **emergency** labour charges the cost of replacement parts and labour in carrying out major repair or replacement are not covered by any motoring breakdown policies including Ours. This also applies to Our Homecall Referral Service where callout, parts, materials and labour are not covered. Please read Your policy carefully so that You know what is and is not covered.

Standard of workmanship

Europ Assistance will monitor the progress of Your assistance but cannot be responsible for the repair work provided by a garage, dealer or tradesman.

Medical repatriation

Please note that emergency repatriation is subject to agreement between the treating doctor and Our Medical Officer that this is medically necessary.

Look after yourself and Your possessions

You are expected to take care not to place yourself or Your possessions in any situation which may cause a loss. For example, luggage should not be left unattended. There are also restrictions regarding items left in a vehicle overnight.

PLEASE MAKE SURE YOU READ THIS POLICY CAREFULLY

INTRODUCTION TO YOUR POLICY

IMPORTANT NOTES

We would like to draw Your attention to important features of Your policy including:

- **Emergency Medical Expenses:** This policy is NOT a Private Medical Insurance policy, and does not provide cover for procedures that can be carried out in Your country of residence after repatriation or for any medical expenses incurred in private facilities if a medically suitable State facility is available.
- **Material Facts:** You must declare to Us all Material Facts that are likely to affect this insurance. Failure to do so may prejudice entitlement to claim. If You are uncertain as to whether a fact is material, You should declare it to Us by calling Our Travel Helpline on 0844 338 5533. Please refer to the definition of a 'Material Fact' in the Meaning of Words.
- **Health:** This policy contains restrictions regarding Pre-existing Medical Conditions which unless declared and accepted by the Insurers in writing prior to travel may invalidate any subsequent claim. If You are in any doubt as to whether You would be covered by the policy please call the Medical Screening Helpline.
- **Changes in health or medication:** You must contact Us and declare any changes in Your health or Your medication that occur between the date You take out this policy and the date You start any Trip.
- **Cancellation, Curtailment & Trip Interruption cover:** It is important to note that the policy contains conditions and exclusions in relation to non-insured travelling companions, close relatives or persons with whom You intend to stay whilst on Your Trip, in the event of any need to cancel, curtail or interrupt a Trip as a result of changes in their health. Please refer to the 'Important Limitations - Cancellation, Curtailment & Trip Interruption Cover' section for full details.
- **Special sports & activities:** This policy specifically excludes participating in or practising for certain sports and activities. If You are going to take part in special sports and activities where there may be a high risk of injury or if You are in any doubt as to whether cover will apply, please call the Travel Helpline on 0844 338 5533.
- **Age Limit:** No Section of this policy shall apply in respect of any person who has reached the age of 80 years, or in respect of any vehicle which has reached the age of 16 years at the commencement of the Period of Insurance.

• **This policy contains strict limits on the length of time You can spend travelling abroad on each Trip. Please refer to the definition of the 'Trip' in the Meanings of Words. IF YOU TRAVEL FOR MORE THAN THE NUMBER OF DAYS FOR WHICH YOU HAVE PAID FOR COVER, YOU WILL NOT BE COVERED AFTER THE LAST DAY FOR WHICH YOU HAVE PAID. Trips must commence and end in the UK Area and a return ticket must have been booked prior to departure.**

• **Medical Emergency: In the event of a medical emergency You must contact Us as soon as possible. You MUST contact Us before incurring expenses in excess of £500. If You are physically prevented from contacting Us immediately, You or someone designated by You must contact Us within 48 hours.**

• **Pregnancy and Childbirth: Cover under this policy is provided for unforeseen events. In particular, cover is provided under Section 2 for unforeseen bodily injury or illness. Pregnancy and Childbirth are not considered to be either an illness or injury. For the avoidance of doubt, please note that cover is ONLY given under Sections 2, 4, 5 and 6 of this policy for claims arising from Complications of Pregnancy and Childbirth. Please make sure You read the definition of Complications of Pregnancy and Childbirth given under the Meaning of Words below.**

• **Third Party Liability: If You use any form of mechanically propelled vehicle, (e.g. car, motor cycle, moped or scooter) sail or powered boat, or an airborne craft, no liability cover will apply under this policy and You must ensure that You have cover for third party injury or property damage in place.**

• **Vehicle Size Restrictions: No section of this policy shall apply if a vehicle exceeds the following gross vehicle weight and dimensions which apply inclusive of any load carried: 3,500kg, length 7m, height 3m and width 2.25m.**

• **Personal Possessions: While this policy provides cover for Your Personal Luggage, if You are planning to take expensive items such as sophisticated photographic equipment, jewellery and other Valuables with You then You should check that You have adequate personal possessions cover, under a home contents insurance. The maximum We will pay under this policy for Valuables (as defined) owned by each Insured Person is limited to £300 (or £100 if the Insured Person is aged under 16). Personal Luggage claims are paid based on the value of the goods at the time that they are lost and not on a 'new for old basis' or replacement cost basis; thus a deduction is made for wear, tear, and depreciation. Payment of any claims in respect of any one article or Pair or Set of articles will be limited to £50 unless satisfactory proof of ownership is submitted. Evidence of replacement value is not sufficient.**

• **Policy Limits: Most Sections of Your policy have limits on the amount the Insurer will pay under that Section. Some Sections also include other specific limits, for example: For any one item or for Valuables in total. You are advised to check Your policy.**

• **Policy Excess: Under certain Sections of the policy, claims will be subject to an excess. This means that You will be responsible for paying the first part of the claim up to the excess value per Insured Person for each and every incident. A definition of Policy Excess is in the Meaning of Words.**

• **Alternative Vehicle Benefit: When availing themselves of this benefit, drivers must produce a full UK/Irish Driving Licence with no endorsements held for at least one year (two years in Spain or Croatia). In addition, when collecting Your car, You will need a valid credit card, which must be in the name of the driver. An alternative similar car may be substituted subject to demand. Car hire suppliers may not be open for collection or drop-off on Sundays in some destinations.**

• **Reasonable Care: You need to take all reasonable care to protect yourself and Your property, as You would if You were not insured.**

IMPORTANT VEHICLE HEALTH CHECK

The insurance operates on the basis that You will have had Your vehicle properly serviced and maintained in accordance with the manufacturer's specifications, especially when preparing it for a Trip abroad.

Will a routine service fall due before the end of your intended Trip?

Or, are there any parts on your vehicle that you are aware may need replacing before the end of your Trip?

If so, you should have your vehicle serviced at least 10 days before your Trip to allow sufficient time to carry out any repairs necessary. Don't forget that replacing such items abroad will disrupt Your Trip, may not be practicable within Your travel timescale, and could cost You significantly more than in the UK.

The breakdown benefits under Section 1 – **Cover Prior to Departure** – will NOT apply if you leave any such work until the final 10 days.

Keep proof of regular servicing in Your vehicle, with Your Travel Documents.

If You call Us for assistance, and Our mechanic reports to Us that it is evident You have not maintained Your vehicle in a state fit to complete Your intended Trip, You will have to pay all the costs arising from Our intervention.

IMPORTANT HEALTH REQUIREMENTS

You must comply with the following conditions in order to have full protection under this policy. If You do not comply We may cancel the policy, refuse to deal with Your claim or reduce the amount of any claim payment.

This insurance operates on the following basis:

1. To be covered, You must be healthy, fit to travel and to undertake Your planned Trip;
2. The insurance will **NOT** cover You when You are travelling against the advice of a Medical Practitioner (or would be travelling against the advice of a Medical Practitioner had You sought his/her advice);
3. The insurance will **NOT** cover You when You are travelling with the intention of obtaining medical treatment or consultation abroad.
4. The insurance will **NOT** cover You if You have any undiagnosed symptoms that require attention or investigation in the future (that is symptoms for which You are awaiting investigations/consultations, or awaiting results of investigations, where the underlying cause has not been established)

No claim arising directly or indirectly from a Pre-existing Medical Condition affecting You will be covered unless:

- You have declared ALL Pre-existing Medical Conditions to Us; and
- You have declared any changes in Your health or prescribed medication; and
- We have accepted the conditions for insurance in writing.

Each Insured Person who has a Pre-existing Medical Condition must make a Medical Health Declaration before each Period of Insurance and, if there are any changes in Your health or prescribed medication, prior to commencement of the Period of Insurance or departing on any Trip. **Failure to declare ALL Pre-existing Medical Conditions that are relevant to the insurance may invalidate the policy.**

We may require You to obtain a medical report from Your General Practitioner or Consultant in order to assess whether cover applies. Any costs incurred in obtaining this medical report shall be borne by You.

Based on Our assessment of the medical information supplied to Us, We will decide whether or not the person is suitable for insurance, if certain exclusions or restrictions should be imposed, or if cover can be offered subject to the payment of an additional premium. If We offer cover, and, if the cover is subject to the payment of an additional premium, cover will not commence until full payment has been received by Us and written confirmation has been provided by Us.

To declare a Pre-existing Medical Condition or a change in Your state of health or prescribed medication, You should contact the Medical Screening Helpline during office hours on: 0844 338 5851.

You should also refer to the General Exclusions.

Important Limitations – Cancellation, Curtailment & Trip Interruption Cover

This policy will **NOT** cover any claims under Section 17 (Cancellation, Curtailment or Trip Interruption) arising directly or indirectly from any Pre-existing Medical Condition known to You prior to the commencement of the Period of Insurance affecting any Close Relative or travelling companion who is not insured under this policy, or person with whom You intend to stay whilst on Your Trip if:

- a terminal diagnosis had been received prior to the commencement of the Period of Insurance; or
- if they were on a waiting-list for, or had knowledge of the need for, surgery, inpatient treatment or investigation at any hospital or clinic at the commencement of the Period of Insurance;

or if during the 90 days immediately prior to the commencement of the Period of Insurance they had:

- a) required surgery, inpatient treatment or hospital consultations; or
- b) required any form of treatment or prescribed medication;

You should also refer to the General Exclusions.

EMERGENCY ASSISTANCE 24 HOURS A DAY

You should first check that the circumstances are covered by Your policy. Having done this please contact the appropriate 24-hour telephone number shown after the appropriate Section of cover. Give Your name, insurance details, reference number and as much information as possible. Please give Us a telephone, fax or telex number, or email address where We can contact You or leave messages at any time of the day or night.

To comply with the terms and conditions of the insurance You must obtain Our prior authorisation before incurring any expenses over £150 under the Breakdown Cover, or over £500 under the Personal Travel Insurance Cover, except in case of emergency. In case of emergency, if You are physically prevented from contacting Us immediately, You or someone designated by You must contact Us within 48 hours.

Vehicle Assistance: Call Us and We will contact the nearest suitable garage. On motorways always use the Emergency telephones as these pinpoint Your exact location. The Police will arrange for Your recovery from the motorway. Then contact Us when You reach a public phone or by using a mobile. If the local Police call for a recovery vehicle to tow You from the motorway, and You are asked to pay on the spot for this service, You should send Us the original receipt. Please note that car hire companies impose driver minimum age restrictions and will require sight of a credit/debit or charge card before releasing the vehicle to You.

TRIPS TO MAINLAND SPAIN, THE CANARY ISLANDS (Tenerife, Gran Canaria, Fuerteventura, Lanzarote, La Palma, Gomera and El Hierro) AND THE BALEARIC ISLANDS (Cabrera, Formentera, Ibiza, Majorca/Mallorca, Menorca) – 24 HOUR EMERGENCY SERVICE

When away from Home, it is most important that You have immediate access to professional medical attention in the event of an emergency. With this in mind, We have put in place, for Your benefit, a network of medical professionals throughout mainland Spain, the Canary Islands and the Balearic Islands, at Your service 24 hours a day, 7 days a week. This is supported by a 24 hour medical emergency service, which can direct You to these professionals, and which will also follow Your case through from the moment You enter hospital until You are released and, in more serious cases, until You are safely repatriated (accompanied, if deemed medically necessary, by one of Our medical team).

In addition, **no Policy Excess will apply** when You receive **inpatient treatment** (where medically necessary) at:

- a) one of Our network hospitals, or
- b) a state hospital when You have used an EHC to effectively reduce the cost of Your medical treatment or medicines.

Please note: For claims under Section 13 (Medical Emergency & Repatriation) or Section 14 (Emergency Dental Treatment), no Policy Excess will apply when You receive inpatient treatment (where medically necessary) at a state hospital within the EU, EEA or Switzerland if You have used the European Health Insurance Card to effectively reduce the cost of Your treatment or medicines.

8. You must comply in full with the terms and conditions of this policy before a claim will be paid. Please read this policy carefully, and if unsure as to what is covered or excluded, contact the Travel Helpline on 0844 338 5533.
9. In the event of an emergency or any occurrence that may give rise to a claim for more than **£500**

under this insurance, You must contact Us as soon as possible. You must make no admission of liability, offer, promise or payment without Our prior consent. **Please Telephone Us first.**

10. We are entitled to take over Your rights in the defence or settlement of a claim, or to take proceedings in Your name for Our own benefit against another party and We shall have full discretion in such matters. This is to enable Us to recover any costs We have incurred from any third party who may have liability for the costs.
11. We may, at any time, pay to You Our full liability under this policy after which no further liability shall attach to Us in any respect or as a consequence of such action.
12. You agree not to take any action that may prejudice Our recovery rights and will advise Us if You instigate proceedings to recover compensation arising from any incident which has led to a successful claim against this policy. The sums We have paid out under the terms of the policy will be reimbursed from any recovery made.
13. You must take all practicable steps to recover any article lost or stolen and to identify and ensure the prosecution of the guilty person(s). We may at any time and at Our expense take such action as We deem fit to recover the property lost or stated to be lost.

15. You must notify Us in writing of any event which may lead to a claim, within 28 days of Your return Home. As often as We require You shall submit to medical examination at Our expense. In the event of the death of an Insured Person We shall be entitled to have a post mortem examination carried out at Our expense. You must supply Us with a written statement substantiating Your claim, together with (at Your own expense) all certificates, information, evidence and receipts that We reasonably require.
16. If any fraudulent claim is made or if any fraudulent means or devices are used to obtain any benefit under the insurance, this policy shall become void and the premium paid shall be forfeited. Any benefits so claimed and received must be repaid to Us.
17. We may give 7 days notice of cancellation of this policy by recorded delivery to You at Your last known address. In this case We shall refund to You the unexpired pro-rata portion of the premium You have paid, subject to there having been no known claims or losses.
18. If any dispute arises as to the policy interpretation, or as to any rights or obligations under this policy, We offer You the option of resolving this by using the arbitration procedure We have arranged. Please see the details shown under Customer Satisfaction. Using this service will not affect Your legal rights. If You are unsure of Your legal rights, You should contact the Citizens' Advice Bureau.

23. Winter Sports are covered only if You have paid the appropriate additional premium required before departure from the UK Area.
24. Although We are prepared to cover You when undertaking certain sports and activities, the availability of the insurance cover does not, in itself, imply that We or the underwriters consider such sports and activities as safe. At all times You must satisfy yourself that You are capable of safely undertaking the planned sport or activity and You must take care to avoid injury, accident or loss to yourself and to others.
25. We cannot accept responsibility for the transportation of pet animals or livestock carried within the Insured Vehicle at the time of an insured incident. Any extra costs involved in the transportation of pets or alternative transportation requirements in the event of a breakdown, would

not be covered by this policy.

26. At the time of a claim, at Our request You must provide evidence of proper servicing of Your vehicle.
