THE AIMS OF THIS INSURANCE

This insurance is a Home Emergency policy and not a household buildings or contents policy. It should complement Your household insurance policies, and provide benefits and services which are not normally available under these policies.

This Insurance does not cover normal day-to-day Home maintenance which You should carry out or pay for, such as items which tend to gradually wear out over a period of time, or need periodic attention. Examples of these include the descaling of central heating pipes or the replacement of tap and cistern washers.

What We undertake to do is provide rapid, expert help

if You suffer an Emergency in Your Home arising from an incident covered under the policy. We will arrange for one of Our Authorised Contractors on Our nationwide list of approved tradesmen to attend and take action to stabilise the situation and remove the Emergency.

Cooling Off Period: If, when reading Your policy, You decide that it does not meet Your requirements, please return the policy and Certificate within 14 days of the date of issue or receipt of the terms and conditions, whichever is later. We will refund to You any premium You have paid and We will recover from You any payments We have made.

You should read those sections of the Policy which relate to the level of cover You have selected, together with the General Exclusions, General Conditions and the Complaints Procedure.
